i) Power and Water supply shall be applicable for a period of 25 years or upon achieving 100% of the Eligible Fixed Assets, whichever is earlier.

5. The matter was deliberated between vendors and associates of KMI and the Government (Industries Department and Revenue CT Department) After detailed discussions, it was considered that it is not feasible to provide Tax (SGST) incentives to Associates /Vendors of KMI, as Output SGST is being offered to KMI, since the Output of vendors /associates is the input to KMI. Both parties explored the possibility of including other incentives to meet the 100% eligible fixed assets criteria. Post these deliberations, the consortium of vendors/associates of KMI have requested GoAP to provide the following special package of incentives in the reference 5th and 6th read above.

a) Period for claiming the fiscal incentives to be extended for 20 years to recoup their investment to the extent of 100% of “Eligible Fixed Assets” by way of fiscal incentives under GST regime.

d) Power supply to Vendors and Associates at fixed tariff of Rs.3.00 per unit for a period of 20 years.

e) Water supply concession at Rs. 35/KL for a period of 20 years

f) Capital Subsidy of USD 296 Million shall be provided in equal annual instalments

g) To allot requisite land at Rs. 6.00 Lakhs per Acre.

h) To provide External Infrastructure and Utilities such as access roads, service roads, rail over bridge, storm water drainage, waste disposal site, electricity and water supply at its own cost.

i. GoAP at its own cost shall provide certain **service roads** surrounding the Vendors Project sites
ii. GoAP at its own cost shall provide **access roads** to the Vendors Project Sites
iii. GoAP at its own cost shall provide **rail over bridges** to be connected to the Access Roads
iv. GoAP at its own cost provide **permanent waste disposal site** for vendors.
v. GoAP at its own cost provide exclusive **temporary power supply** of 33 KV up to the boundary of the Vendors Project Sites until commencement of commercial production
vi. GoAP at its own cost provide exclusive **permanent power** supply of 220KV up to the boundary of the Vendors Project Sites since commencement of commercial production
vii. GoAP at its own cost provide exclusive permanent water up to the boundary of the Vendors Project Sites.

i) To provide 5.35 acres of land to for workers dormitories for 4 Associates located in KMI site @ Rs 6.00 Lakhs per acres.

j) Exemption from zoning regulations issued vide G.O.Ms.No.151, dated 03.11.2017.

6. The proposal was discussed in detail in the State Investment Promotion Committee meeting held on 12.02.2018 and State Investment Promotion Board meeting held on 15.02.2018. The State Investment Promotion Board noted that the Government has committed, to provide incentives up to 100% eligible fixed assets to vendors and associates of KMI in line with the incentive package provided to KMI post GST regime. The Board further noted that it is not feasible to provide Tax (SGST) incentives to Associates /Vendors of KMI, as Output SGST is being offered to KMI, since the Output of vendors /associates is the input to KMI. As such, the Board has decided to consider reimbursement of work contract tax, power cost reimbursement, water cost reimbursement, skill development and capacity building as part of incentive package to recoup 100% eligible fixed assets. Further, the Board also noted that even after considering all the above incentives, there is a gap of USD 296.22 Million (approx. Rs. 1925 Crores) as per the projected estimates for 20 years. However, the actuals will be worked out based on performance of vendors/associates of KMI.

7. Keeping in view the above facts, the Board has decided to extend the following fiscal incentives to enable vendors/associates of KMI recover 100% of investment in Eligible Fixed Assets post GST Regime. However, non-fiscal support such as land concession and infrastructure & utilities etc provided by the GoAP will not be considered as part of Eligible Fixed Assets of vendors and associates of KMI.

8. The Board further reiterated that actual disbursement of incentives to vendors/associates of KMI shall be subject to their compliance with performance conditions and necessary safeguards as approved by the SIPB in its meeting held on 15-2-2018.

a) To extend all incentives for a period of 20 years to enable the Associates /Vendors to recover their 100% of the eligible fixed assets.

b) To allot requisite land at Rs. 6.00 Lakhs per Acre to vendor at site B (Gudipalli).

c) Reimbursement of Non-creditable SGST paid on procurement of works, contract services or other goods or services used for the construction of all manufacturing facility for 20 years from the date of commencement of Commercial Production.

d) Power Supply @ Rs.3.00 per kwh/unit for 20 years and the power cost reimbursement will be so regulated to ensure that power supply is made at a fixed cost of Rs.3.00 per unit over a period of 20 years Date of Commencement of Commercial Production.

e) Reimbursement of fixed Water Supply cost @ Rs.35 per ton/KL for 20 years from Date of Commencement of Commercial Production

f) One time Training grant of Rs.10,000 per local person trained and employed

g) To exempt Ammavarupalli and Gudipalli from the 10 KM prohibition zone notification issued vide G.O.Ms.No.151, to enable KMI vendors and other automobile related industries to set up their units.

h) To provide 5.35 acres of land for workers dormitories for 4 Associates located in KMI site @ Rs 6.00 Lakhs per acres

i) To permit Vendors to utilize the Road over Bridge, Rail over bridge, waste disposal site being created for KMI

j) To provide gap of USD 296.22 Million (approx. Rs. 1925 Crores) in incentives as per the projected estimates in the form of capital subsidy in equal annual instalments for 20 years. However, this is subject to actual performance of Vendors and Associates of KMI.

k) All other incentives as per Backward Area Ultra Mega Integrated Automobile Policy (UMIAP)

l) Keeping in view the proposals received from Tier 1 and Tier 2 vendors of KMI, the Board directed APIIC to identify land parcels for development of “South Korea City” close to the sites of KMI and their Vendors/ Associates i.e in Ammavarupalli and Gudipalli villages, in order to create an eco-system for attracting automobile industries. The estimated cost for development of these clusters is Rs.185.50Cr, which include Roads (Rs.107.50Cr); Water (Rs.37.80 Cr); and Power (Rs. 40.20Cr). Further, it was decided to provide power supply, water supply access roads, service roads, and storm water drainage upto to the tie-in-point of the vendors of KMI coming up in Gudipalli and Ammavaupalli villages.

m) The Board also directed APIIC to identify large parcels of land for development of Automobile Corridor from Anathapuram to Nellore via Madanapalle, Chittoor District.

n) The Board also directed Industries Department to take-up Incentives review after 3 years to assess actual financial implication to the Government and subsequent reviews based on the need.

9. After careful consideration of the decisions of SIPB, the Government hereby extends the following fiscal incentives to M/s Wooyoung Automotive India Private Limited subject to taking up fiscal incentives review after 3 years to assess actual financial implication to the Government based on the need and / or every 3 years.

a) To extend all incentives for a period of20 years to enable the Associates /Vendors to recover 100% of the eligible fixed assets.

b) To allot requisite land at Rs. 6.00 Lakhs per Acre to vendor at site B (Gudipalli).

c) Reimbursement of Non-creditable SGST paid on procurement of works, contract services or other goods or services used for the construction of all manufacturing facility for 20 years from the date of commencement of Commercial Production.

d) Power Supply @ Rs.3.00 per kwh/unit for 20 years and the power cost reimbursement will be so regulated to ensure that power supply is made at a fixed cost of Rs.3.00 per unit over a period of 20 years from the Date of Commencement of Commercial Production. The power cost reimbursement provided over and above Rs.3.00 per Unit will be considered as an incentive for computation of eligible fixed assets.

e) Water Supply at fixed cost of Rs.35 per ton/KL for 20 years from Date of Commencement of Commercial Production

f) One time Training grant of Rs.10,000 per local person trained and employed

g) To exempt Ammavarupalli and Gudipalli from the 10 KM prohibition zone notification issued vide G.O.Ms.No.151, to enable KMI vendors and other automobile related industries to set up their units.

h) To provide 5.35 acres of land to for workers dormitories for 4 Associates located in KMI site @ Rs 6.00 Lakhs per acres.

i) To permit Vendors to utilize the Road over Bridge, Rail over bridge, waste disposal site being created for KMI.

j) The company is not eligible for capital subsidy as it will recoup its Eligible Fixed Assets investment from Tariffs & Grants. However, at the third year review, if any short fall is noticed, the decision on capital subsidy will be taken at that time.

k) All other incentives as per Backward Area UMIAP Policy.

l) Industries Department shall take-up Incentives review after 3 years to assess actual financial implication to the Government and subsequent reviews based on the need.

m) The actual disbursement of incentives to vendors/associates of KMI shall be subject to their compliance with the following performance conditions and necessary safeguards
